

POSTERSNAPPER™

Accommodating a range of standard print formats POSTERSNAPPER™ provides both a cost effective and versatile solution for displaying lightweight posters and banners.

Designed to allow for quick and easy change of imaging the system features our innovative 25mm clip profile and is supplied in sets complete with metal hanging loops and black plastic end caps.

POSTERSNAPPER™ profiles are available to suit print sizes A0-A4 or alternatively, can be ordered in custom sizes up to 1000mmL.

^ EACH POSTERSNAPPER™ SET CONTAINS 2 X 25MM CLIP PROFILES, 4 X BLACK PLASTIC END CAPS AND 2 X METAL HANGING LOOPS

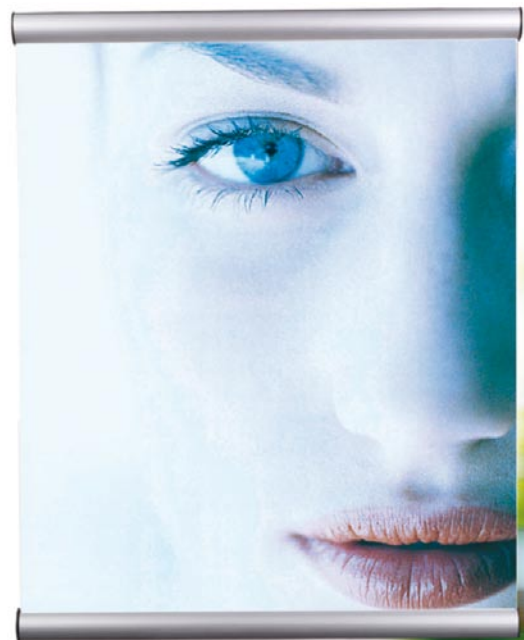

^ POSTERSNAPPER™ IS AVAILABLE TO SUIT A RANGE OF STANDARD PRINT SIZES OR CAN BE SUPPLIED IN CUSTOM SIZED PROFILE LENGTHS TO SUIT SPECIALISED REQUIREMENTS

^ POSTERSNAPPER'S™ INNOVATIVE CLIP PROFILE SECURES IMAGES INTO PLACE. PROFILES CAN BE DIRECTLY WALL MOUNTED OR CEILING SUSPENDED
